

FARM ITEMS.

A Canadian Cattle Agricultural Society of... Butter, eggs, fruit, and other farm products...

It is proposed in England when seasons are wet to dry grass by passing the sheaves of an end...

This year, in England, while there is half a crop, they are discussing whether or no the rabbits...

It is stated that stagnant water is a chief cause of the mishaps among cows for which the Legislature of New-York appropriated \$5,000 to discover a remedy.

It was claimed at the New-England Fair that they had exhibited the best stock women who had got rich in trade and turned farmers...

It is said that grapes will keep fresh until Spring if cut with a piece of vine on each side of the stem...

The choice high-priced cows, such as Alderneys and Ayrshires kept in the city and gentlemen...

The high farmers of England is based upon turps and grass, and the soil of the land is kept rich...

It is said that the soil never gets poor.

It is said that the soil never gets poor.

It is said that the soil never gets poor.

It is said that the soil never gets poor.

It is said that the soil never gets poor.
